

NORDIC SLEEP CONFERENCE 2021

HELSINKI 27-28 MAY, 2021

Invitation to Partners and Exhibitors

On behalf of the Nordic Sleep Society and the Finnish Sleep Research Society (SUS), it is our pleasure to invite you to join the 19th Nordic Sleep Conference as a Partner. The conference offers several attractive partnership possibilities outlined on the next page.

Due to Covid-19 raising questions on participant safety and possible travel restrictions, the organising committee has decided to organize the conference on a virtual platform on May 27th to May 28th 2021. Due to change from online conference to a virtual platform we have adjusted the pricing and we hope more people will be able to join us.

To keep yourself continuously updated on the scientific programme, exhibition and registration, please visit our website: www.nsc2021.fi

We look forward to warmly welcoming you to the Nordic Sleep Conference 2021 as a Partner!
